

KINGSLEY BRIDGE MILL RIVER EAST CLARENDON, VERMONT

The Kingsley Bridge, which extends over the Mill River on East Street, was built in 1870 by Timothy Horton, a Clarendon carpenter and covered bridge builder. It is the only covered bridge left which is located in Clarendon out of several covered bridges originally located in our Town.

In the 1950's it was closed for repair and more recently in 1985 it was declared unsafe for vehicle travel and closed. A complete restoration was undertaken with the majority of the work done by Wright Engineering Co. The bridge re-opened in May 1987.

The Town is very fortunate to have been able to preserve this historic landmark. Thus enabling Clarendon residents and visitors present and future to appreciate its beauty, durability and historic value.

MILL RIVER (KINGSLEY) BRIDGE AT EAST CLARENDON

III. SUPERINTENDENT'S REPORT

A. Enrollment:

There are 301 students enrolled in the Clarendon Elementary School for the 1987-88 school year. This is down slightly from last year's high due primarily to the change in the new school entry age, implemented this year. The projections for the future are that enrollments will continue to increase gradually and that we can expect to reach approximately 350 students.

B. Personnel:

A full listing of teachers and other staff members is printed on page one of this report. There have been some shifts in assignment, but few major changes in personnel. Lisa Murray is working as the library aide and Sylvia Venne is the resource room aide.

C. Curriculum:

The Vermont Public School Approval process was completed during the spring of 1987. We are now in the process of developing a school improvement plan which addresses the needs of PSA. One of the PSA requirements mandates a guidance program. We plan to implement some guidance services during the 1988-89 school year. Many of the other PSA requirements are related to facilities.

We are continuing the process of reviewing and updating our instructional programs and materials. Improvements continue to be made in this area and numerous workshops are being held to improve teaching skills.

D. School Facilities:

Improvements have been made to the facilities to make them more energy efficient. Completed is the installation of the energy management equipment. New lights have been installed in the multi-purpose room, where nine new fixtures have replaced thirty old ones. Also, an outside storage building has been completed to give us badly needed storage space.

Space for instructional programs continues to be a critical need with our large enrollment and the requirements of PSA. At a special school district meeting on August 24, 1987 voters approved \$14,000 for facilities planning. Since this time an architect and a civil engineer have been employed by the school board to prepare preliminary plans. The board hopes to be able to present a project for voter consideration during this spring.

SUPERINTENDENT'S REPORT (continued)

E. State Aid:

The 1987 Vermont Legislature passed a new state aid bill known as the Foundation Plan. This plan was designed to provide additional funds so that schools could implement programs required by the Public School Approval Standards.

As a result of the increased funding of the Foundation Plan, Clarendon is receiving \$237,536.00 in additional state aid for the 1987-88 school year. Of this amount, \$100,000.00 was returned to taxpayers as property tax relief, \$39,000.00 was approved by voters for special projects, with the remainder being held in reserve to help meet PSA requirements.

The Foundation Plan calls for additional funds for next year, 1988-89. However, the amount of additional aid for Clarendon is not known at this time.

F. Budget and School Taxes:

The complete budget for the 1988-89 school year is included in the financial statements within this report. The proposed budget has elementary school expenditures of \$992,580.00. The major increases are in the areas of instruction, special education, guidance services, speech services, and library-media services. Many of these increases are to meet PSA requirements. The school tax comparison for the past several years is illustrated in the table below:

	Actual 1986-87	Actual 1987-88	Proposed 1988-89
Elementary Taxes	-121,685	-129,774	-232,249
Mill River Assessment	784,332	834,769	966,376

The Clarendon Board of Selectmen meet at the Town Hall at 7 P.M. on the 2nd and 4th Mondays of each month. All townspeople are welcome to attend and participate. The town is growing rapidly and your ideas and views are valuable to us.

This year remodeling of the old covered bridge in East Clarendon, called Kingsley Bridge was completed and reopened to traffic in the spring. We are fortunate to have been able to preserve this historic landmark.

Bridge #12, the old one lane iron bridge connecting Walker Mountain Road to Middle Road was removed and replaced with a new two lane bridge which opened in the fall.

These projects were completed thru the State of Vermont after many delays. We regret any inconvenience caused to townspeople, but feel the results are well worth the wait, and appreciate your patience and understanding.

Our highway crew has been busy with routine maintenance and also much ditching and repaving. Equipment was updated with the purchase of a new loader.

The transfer station is becoming increasingly busy all the time. We expect a substantial raise in expenses when we are required to begin using the Vicon Recovery System.

We appointed an Animal Control Officer this year and are hoping to increase licensing, enforce leash laws and solve our many dog problems in town. You can help by doing your part if you own a pet.

Presently, we are remodeling the town offices to accommodate the handicapped.

Again, we encourage you to participate in your town government. Everyone is always welcome at our meetings.

Ralph J. Austin
Chairman, Board of Selectmen

TOWN CLERK REPORT

With Record Restoration having been completed, all the Land Records are in good condition.

Because of the increase in land transactions, three new roller shelves have been installed in the vault to accomodate the new volumes.

We are planning to purchase a new map filing system which will be easier to use and preserve the maps better.

IF the general budget is passed, as is, the office will be extending hours on Monday and Tuesday to 4:30 P.M..

If you are unable to come into the office during hours and need something such as: dog license, transfer station sticker, etc., please call or write and I will make arrangements to either mail it or have it at my home for you.

DOG LICENSES

REMEMBER! All dogs 6 months of age and older shall annually, on or before April 1st, be licensed. A current rabies certificate must be provided before a license may be issued.

Dogs licensed for 1987:	MALES	133
	FEMALES	77
	NEUTERED MALES	98
	SPAYED FEMALES	191
	<u>TOTAL</u>	<u>499</u>

TOWN OF CLARENDON

BOARD OF LISTERS
NORTH CLARENDON, VERMONT 05759

The appointed Board of Listers have been working on making the grand list and cards current and correct. We have been correcting numerous listing and calculating errors.

For the tax year of 1987, thru errors and omissions, approximately \$19,000 of revenue was added to the town.

We are anticipating doing reappraisal which will go into effect for the 1989 tax year. Reappraisal is needed because our appraisals at present are running far below the 80% of fair market value that is required by the state. So our town is penalized in State Aid to Education. For 1988, 1st estimate of \$32,340 is the penalty and for 1989 it could go as high as \$100,000. State says reappraisal will cancel the 1988 and 1989 penalties. Reappraisal will also help to correct the inadequacy in property values in our town.

Nancy A. Decker, Chairman
Cecil W. White

CLARENDON VOLUNTEER FIRE ASSOCIATION, INC.

In 1987 the Association had a very successful and gratifying year with the raising of \$31,000 to help improve our department. This was accomplished with 30 active firemen and a very helpful Auxiliary.

This money, raised from weekly Bingos, Annual Auction, work at the Rutland Fair and other various projects, was used to buy ten Motorola Pagers, 26 approved fire coats and seven new helmets, for better protection for our firefighters. We also purchased a new roof ladder, a booster nozzle, 50 gallons of foam and a foam inductor for better foam distribution. An overhead projector to be used for classroom training in the winter months was also purchased.

During Fire Prevention Week, some of our officers established a fire prevention program for the children at the elementary school. We feel that the best way to reduce fires and possible injuries is to educate the children in the schools on fire prevention.

In 1987 we received 39 emergency calls, down from recent years. We went of town on Mutual Aid calls 4 times and we received aid twice. Our equipment was used a total of 116 hours at fires and firemen spent 824 hours at fires.

The department attended various Parades and sporting events in 1987 and received 21 trophies for their efforts.

The trustees, officers and firemen would like to thank the Ladies Auxiliary and the Townspeople for their support in the past year.

Phil Pinkowski, Jr., Chief

Your Clarendon Fire Department needs help! We are feeling the manpower crunch in all phases of the department.

There is a small dedicated group of people putting in many hours to make Clarendon the safest we can and we need help. We have an average of 30 active firemen doing it all.

There are only five firemen that live in the Chippenhook area and three in East Clarendon, not hardly enough when our biggest enemy in fire fighting is time.

The Department budget runs \$45,000 per year with \$30,000 being raised through fund raising activities. The people that train, manage and maintain your department also generate the revenue for our budget.

If you are interested in helping your department in a very active role as a firefighter or a less demanding position in our fund raisers, every week or a few hours a month, we have a place for you.

For more information, leave your name and phone number with the Town Clerk at 775-4274 or after hours at 775-4673.

The Membership Committee

CLARENDON FIRE DEPARTMENT AUXILIARY

The year of 1987 was successful for the Clarendon Fire Department Auxiliary. The treasurer reported a balance of \$1,885.81 and we have 18 paid members. We hold our meetings at the Clarendon station on the second Monday of each month, we encourage anyone to come join us at these meetings.

We held many projects this year: Ham dinner for the Eastern Breeders Association, a Beef dinner for the Farm Bureau. We sold refreshments and held a rummage sale at the Firemen's Auction, and sold refreshments and the 50/50 tickets at Bingo each week.

The annual State meeting was held in Rutland this year. The Ladies Auxiliary was very proud to have brought home 4 trophies for games and 1 parade trophy.

Officers for 1988 are: President — Beth Sheehe, Vice President — Tammy Parker, Secretary — Bev Brown, Treasurer — Jean Murray.

We wish to thank all the townspeople who have helped and supported our efforts throughout the year.

Respectfully submitted,
Beth A. Sheehe, President

CONSTABLE'S REPORT

In 1987, the Town Constable and Animal control Officer travelled 1,448.1 miles in the Town of Clarendon up to December 14, 1987.

We have a total of 45 hours schooling through the Rutland County Law Officers Association, every year.

Respectfully submitted,
Gilbert Baker

NOTICE

There is a Dog Ordinance in effect in the Town of Clarendon and it will be enforced.

REGIONAL AMBULANCE SERVICE, INC.

ANNUAL REPORT

July 1, 1986 to June 30, 1987

To the Honorable Citizens of
our member communities:

During Regional's fourth fiscal year the service responded to 3239 calls, an increase of 412 calls over the previous year. There has been an increased demand for our services each year since we began operation in 1983.

Although the budget for 1987-1988 has increased substantially due to inflation and soaring insurance costs the assessments for the member communities did not increase.

There are several reasons for being able to control the assessments at the same level for three consecutive years. The first is our very able Administrator, Mr. James A. Finger. A membership program that not only provides additional income but provides savings to the individual member should the need for ambulance service be required. The financial records and other operating functions are being computerized and very near completion. Finally the complete support of our professional staff has added to our financial stability.

As part of the program to provide a cost effective and reliable service a new ambulance was purchased and another new replacement ambulance is scheduled for 1987-1988 through a depreciation fund set up in our accounting practices. We began construction of additional office and living space with very generous support from local contractors, businesses and dedicated employees. We would like to thank everyone in our coverage area for their continued support.

These and other projects were implemented to provide the citizens of our member communities with the best cost efficient ambulance service we can provide. We did request the same assessment for the next fiscal years operating expenses. All of our member communities approved this request. We would like to thank the voters and we are proud to continue serving the citizens of our coverage area. The Board of Directors and the Administration of Regional Ambulance Service, Inc. will continue to strive to provide the highest quality emergency ambulance care at the lowest possible cost to all of the citizens served.

Respectfully submitted;

David Melen, President,
Board of Directors

DISTRICT MANAGER

THE OPERA HOUSE
P.O. BOX 965
RUTLAND, VERMONT 05701
(802) 775-6482

TO: Town Clerks
FROM: Jim Dohrman, District Manager
DATE: December 11, 1987
RE: District Annual Report - Preliminary

As member towns begin making preparations for publishing their town reports I have received numerous requests for a brief description of the District's activities over the past year. The following should fulfill that need.

Construction of the Vicon facility continued throughout 1987 with construction and testing completed in December. The performance tests were very encouraging, with electricity production being well above the guarantee point which results in additional District benefits.

The uncertainties that were evident in 1986 were even more so in 1987 with the PSB Certificate of Public Good and the electricity rate being challenged by various local and regional environmental groups. In addition Vicon faced significant local opposition over the residue landfill to be located in Sunderland Vermont.

Increased costs due to additional pollution control equipment and additional project development costs to pursue the revised permits resulted in a cost overrun of approximately 12.5 million dollars. The District revised its contract with Vicon to accept the additional costs in exchange for increased guaranteed production levels and revenue sharing.

A new state law was passed in 1987 providing grants for regional recycling projects. In response to that initiative the District hired an Assistant Manager to prepare and implement a regional recycling program. 1988 should see a number of recycling programs implemented which will improve the economic and environmental viability of the Vicon facility.

ANNUAL REPORT

1987

TO: The Board of Selectmen and the Citizens of the Town of Clarendon

The Rutland Area VNA continues to provide many needed health services to your frail, elderly, sick and handicapped. Since Medicare has cut back on payment to hospitals home care has become even more important. We are also feeling the Medicare crunch but are doing our best to provide needed services.

We have provided the following number of visits or services to people in your community:

Unduplicated patients - 50

Skilled Nursing - 498 visits	Occupational Therapy - 43 visits
Home Health Aide - 448 visits	Homemaker - 173 visits
Physical Therapy - 68 visits	Clinic Services - 12 clinics
Speech Therapy - 0	Prenatal Couples - 8

We continue to work with the Office on Aging and all other agencies so that services can be coordinated to provide the best care for the patient.

The health care that we offer is steadily becoming more high tech (such as I.V.'s) due to the earlier discharges from hospitals.

We will continue to do our best to provide health services to your community. If you, or your family need help, please call. We are here to serve you and yours. The Rutland telephone number is 775-0568 (24 hours - 7 days a week); Castleton - 468-5668 or Brandon 247-3111 (Monday - Friday, 8:00 AM - 4:00 PM). We have staff on call in all areas 7 days a week, 24 hours a day.

Thank you for allowing us to help and a special thanks for your continued financial support for health services in your community. We could not do it without you.

Sincerely

Evelyn Doyle

VERMONT CENTER FOR INDEPENDENT LIVING

Annual Report To Towns

One of every eight Vermonters--that's over 66,000 people--has some type of disability.

VCIL is a statewide non-profit organization which works to improve the quality and independence of life of people with all types of disabilities. All of VCIL's programs are geared to assisting people with disabilities to live as fully, productively and independently as possible, under their own direction.

In the past year VCIL has responded to over 3,000 requests involving issues which include: employment; educational opportunities; housing; civil rights; benefits and/or finances; social and/or recreational options; personal health care; communications; adaptive equipment; architectural accessibility; transportation; and more.

Our Information and Referral Program offers the state's most comprehensive centralized information base about virtually any disability related topic, as well as technical assistance and in-depth researched responses to specific questions. A small video, audio and print library is maintained for community use and public education events. We also provide information about commercially available adaptive equipment and offer technical assistance regarding ways to adapt equipment, tools and utensils to people's individual abilities.

The Peer Advocacy Counseling Program features one-to-one counseling with staff who have firsthand experience with a disability. Peer counselors assist people with disabilities to set, and achieve, their personal independent living goals.

Disabled citizens working together for dignity and independence.

SOUTHWESTERN VERMONT AREA AGENCY ON AGING

Report to the Citizens of Clarendon

We project that we will spend \$19,637 to provide the services needed by elders in your community during our current fiscal year.

We provided the following services to elders who resided in your area during the fiscal year that closed September 30, 1987:

Senior Meals

Site: Clarendon

Schedule: Thursday — Congregate Meals at the Grange Hall

Monday, Wednesday, Thursday — Meals on Wheels

1193 meals were served at the site to 46 elders.

1700 meals were delivered to the homes of 14 elders who were homebound and unable to come to the mealsite. This service is often referred to as "Meals on Wheels".

Senior Advocate Assistance

35 persons over 60 received help through this important program. Advocates helped elders fill out forms and resolve problems related to benefit program application. They also intervened on behalf of elders who had problems with ongoing program assistance. Help was also given to elders who had questions or problems related to health care payments and health insurance claims. Additionally, Advocates helped elders file Vermont tax rebate claims and assisted them with applications for energy program benefits.

Other Services

This Agency supported, either directly or through contract, the following additional important services for use by elders in your community:

- ☐ Long Term Care Ombudsman: This individual provided advocacy assistance to residents of Community Care and Nursing Homes. The Ombudsman helped elders and, if appropriate, family members or friends sort out information regarding financial assistance and other concerns related to institutional care.
- ☐ Information and Referral: This Agency maintained a directory of services and programs available to elders in our area. Elders were able to access this information by either calling or visiting our office.
- ☐ Legal Service Attorney for the Elderly: The Area Agency provided funding for an Attorney whose role was to focus on the legal concerns of elders. This Attorney worked through the Vermont Legal Aid Office serving our region.
- ☐ Essential Transportation: On a limited basis, this agency re-imbursed mileage costs incurred by volunteer drivers who, through agency arrangement, provided rides to elders needing transportation to get to medical appointments or to do essential food shopping.

RETIRED SENIOR VOLUNTEER PROGRAM (RSVP)

Since 1973, the Retired Senior Volunteer Program (RSVP) has been working with senior citizens (60+) throughout Rutland County, assisting them to volunteer their time, wisdom and skills with non-profit organizations in Rutland County so as to enrich their lives while providing supplemental staff to agencies with limited budgets.

In 1986, 363 RSVP volunteers contributed 58,600 hours of service to more than 89 non-profit organizations throughout the County.

Currently there are 9 active North Clarendon RSVP volunteers donating their time to the following organizations: Beverly Manor; Clarendon Elementary School; Eden Park; One-2-One Program; Rutland County Diversion Program; Rutland Regional Medical Center; Rutland Senior Chorus; Southwestern Vermont Area Agency on Aging Nutrition Program; American Red Cross and Art-in-the-Park. To date, their combined hours of service totals 891.

We encourage and invite any senior citizen to call RSVP at 775-8220 to learn more about volunteering with the RSVP program. The benefits are many: a sense of purpose, recognition, acceptance and the knowledge that they are contributing to the community of North Clarendon.

Over the years, the support that has been shown RSVP by the voters of the Town of North Clarendon has been greatly appreciated. We thank you and pledge our continued effort to be of service to you.

Anne P. Rowe,
Director
November 6, 1987

WARNING

TOWN OF CLARENDON
1988 ANNUAL TOWN MEETING

The legal voters of the Town of Clarendon are warned to meet in the Clarendon Elementary School on Monday, February 29, 1988 at 7:30 P.M. to act on articles as designated in the Warning and to meet again on Tuesday, March 1, 1988 between the hours of 10:00 A.M. and 7:00 P.M. to vote on articles by Australian Ballot as designated in the Warning.

Article 1. To act on all Town Officers Reports.

Article 2. To see if the Town will pay taxes to the Treasurer.

Article 3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

Article 4. To conduct any other lawful business.

Article 5. To elect all necessary Town Officers. (Australian Ballot)

Article 6. Will the Town vote to raise by taxation the sum of \$140,554.06 to provide funds towards the General Budget for items not otherwise specifically voted under other articles? (Australian Ballot)

Article 7. Will the Town vote to raise by taxation the sum of \$243,420.00 for maintenance of Town Highways? (Australian Ballot)

Article 8. Will the Town vote to raise by taxation the sum of \$3,000.00 for the support of the Rutland Area Visiting Nurse Association? (Australian Ballot)

Article 9. Will the Town vote to raise by taxation the sum of \$650.00 to support the Clarendon Senior Meals Site? (Australian Ballot)

Article 10. Will the Town vote to raise by taxation the sum of \$1,996.00 for the support of the Rutland Mental Health Services, Inc.? (Australian Ballot)

Article 11. Will the Town vote to raise by taxation the sum of \$120.00 for the support of the Vermont Center for Independent Living? (Australian Ballot)

Article 12. Will the Town vote to raise by taxation the sum of \$420.00 for the support of the Bennington-Rutland Opportunity Council, Inc.? (Australian Ballot)

Article 13. Will the Town vote to raise by taxation the sum of \$800.00 for the support of the One-2-One Program? (Australian Ballot)

Article 14. Will the Town vote to raise by taxation the sum of \$350.00 for the support of the Rutland County Retired Senior Volunteer Program? (Australian Ballot)

Article 15. Will the Town vote to raise by taxation the sum of \$15,011.00 for the support of the Regional Ambulance Service, Inc.? (Australian Ballot)

Article 16. Will the Town vote to raise by taxation the sum of \$15,000 for the support of the Clarendon Fire Association, Inc.? (Australian Ballot)

Article 17. Will the Town vote to spend up to \$725.00 of Revenue Sharing Funds towards support of the Town Insurance? (Australian Ballot)

Article 18. Shall the Town instruct (advise) our legislators to vote to amend the Vermont Constitution by adding a municipal "home rule" amendment worded as follows:

To reaffirm the customary and traditional liberties of the people with respect to the conduct of their local government and to grant and confirm to the people the right of self-government in local matters, the voters of any organized city, town or village shall have the power to adopt, alter and amend a charter on all matters, not specifically prohibited by the Constitution or general law, which are local and municipal in character. If a charter adoption, alteration or amendment is approved by a majority of the voters voting thereon, it shall become effective on the first day of the next succeeding municipal fiscal year unless otherwise specified in the charter. This power shall be in addition to powers specifically granted cities, towns and villages through legislation. This section shall be liberally construed in favor of municipalities. (Australian Ballot)
